LENOIR RHYNE COLLEGE
THE SEVENTY-FIFTH ANNIVERSARY EDITION

In the time of your life — live.

To reach a port, we must sail, sometimes with the wind and sometimes against it, but we must sail, and not drift, nor lie at anchor.

PROLOGUE

"Go Hawaiian"

Prologue is a time for freshman and transfers to become acquainted with life at Lenoir-Rhyne. It's a time of moving in, meeting new people and establishing new relationships. Under the leadership of Karen Starnes and Susan Castor, this was all made possible. One of the high points of prologue was the Hawaiian picnic and faculty entertainment, in which some faculty members portrayed their life desires and fantasies.

Anderson leaves Lenoir-Rhyne College

"For six rather intense but very rewarding years, my family and I have given Lenoir-Rhyne College and the Hickory community our best. I believe we have contributed something good to both; certainly both have given something wonderful and forever memorable to us," announced Dr. Albert Anderson in his statement about his resignation from Lenoir-Rhyne. "But now the time has come for the Andersons to consider other futures, and for the college to seek new leadership."

Dr. Anderson became the eighth president of Lenoir-Rhyne in September 1976. He came to Hickory from Moorhead, Minn., where he was the director of a three-college consortium called Tri-College University, which was created under his leadership in 1969.

Dr. Anderson's years at Lenoir-Rhyne have been marked by a broadening of the college's offerings to the students and community; an increase in monetary support of the institution; and the completion of several major capital projects. Three new majors were added during his tenure; accounting, international business, and psychology. A graduate program in education and the Tuesday and Thursday (T 'N' T) accelerated adult degree program were also added.

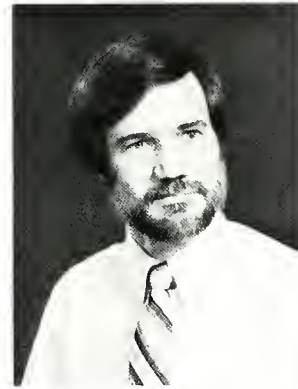

The Lineberger Center for Cultural and Educational Renewal and the Broyhill Institute for Business Leadership were endowed under Anderson's leadership. Both are study centers which regularly bring significant speakers and programs to the Lenoir-Rhyne campus and its surrounding community.

Monetary support of the college also climbed during the Anderson administration with outstanding gains in both voluntary contributions and endowment. Voluntary gifts have totaled more than 8 million dollars since 1976, and endowment doubled to around 6.5 million dollars.

During Dr. Anderson's presidency the Shuford Physical Education Center opened in 1979. Completed at a cost of 1.9 million dollars it includes a gymnasium, a swimming pool, large multi-purpose room, classrooms and offices. The new academic complex also opened shortly before his departure. This included the renovation of the Rhyne classroom building. Construction on the learning resource center adjacent to the library began under Anderson.

Anderson left Lenoir-Rhyne, to accept the vice presidency for institutional advancement at Luther College in Decorah, Iowa, in December, 1982. The entire Lenoir-Rhyne community wishes Dr. Anderson and his family the best in all future endeavors.

Lenoir-Rhyne College A Cappella Choir

The A Cappella Choir of Lenoir-Rhyne College has earned a prominent position among college choirs in the United States since it was founded in 1935 by the late Professor Kenneth B. Lee.

The Lenoir-Rhyne choir was one of the original a cappella choirs in the southeastern U.S., and it has been blessed with many years of growth in size and excellence. This year the choir has been honored to sing at the installation of Bishop Michael McDaniel in October and at the joint Reformation service sponsored by the Catawba Valley Fellowship of Lutheran Churches, held on October 31. The choir completed its fourth European Tour in May 1982.

The choir is under the direction of Professor E. Ray McNeely, Jr., a native of North Carolina and 1963 graduate of Lenoir-Rhyne College.

A Look Behind The Scenes

SPORTS

Football Season Full of Ups and Downs

As the 1982 football season came around, eighteen returning seniors and rumors of two imported game-breaking runners seemed to suggest a good season for the Bears. Fans could only wait and hope, worrying if this season would be like last season; despite the high hopes predicted for this year's team.

Fans worries were soon dissipated though, as the army came up from Fort Benning for a pre-season game which left everyone here at L-RC worried about the condition of our service men. The Bears were impressive all the way around with runners Ickard and Ford gaining 117 and 118 yards respectively. After the dust had cleared, Lenoir-Rhyne had won 28-0.

The Bears next win was against Wofford. Wofford was ranked eighth in the NAIA division II and were undefeated when the Bears invaded their turf and came home with a 7-3 victory. An eight play, 83 yard first quarter scoring drive got the Bears ahead quickly.

Against the Blue Hose of Presbyterian the Bears racked up 390 yards to the Blue Hoses' 206, yet nine fumbles stalled any momentum the Bears could muster. With only four seconds remaining, a field goal by Jeff Jones gave L-R a 15-15 tie and saved the Bears from an undeserved loss.

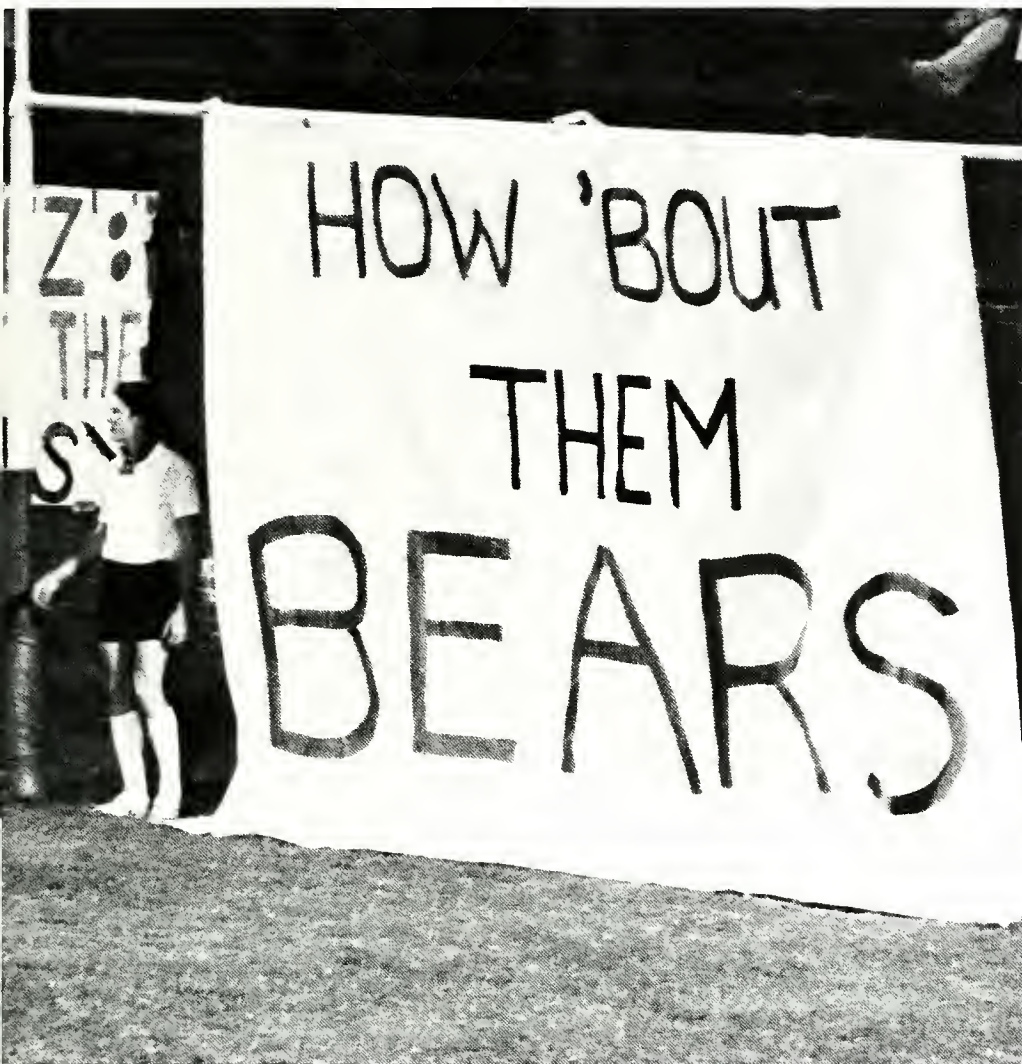

Lenoir-Rhyne's biggest victory of the season came against the number one ranked and defending NAIA Champs of Elon. On Offense, Glenn Ford racked up 184 yards and scored the Bears' only touchdown of the day. Lemont Jones also ran for 105 yards and Quarterback Nay passed for 92 yards. The real difference was the tenacious Defensive play and Jeff Long's three field goals which carried the Bears to a well deserved 16-7 victory.

The season ended on a good note as L-R whipped Catawba 32-28. Instrumental in the victory was Quarterback Nay. Nay accumulated 184 passing yards for two touchdowns and Glenn Ford's 91 yards rushing for two touchdowns. This game gave Ford NAIA District 26 and SAC-8 rushing honors with 1,093 total yards for the season.

Traveling again to Winston-Salem State, the Bears found themselves locked in a tough defensive battle which kept both teams scoreless for three quarters. The Bears got the break they needed when the Rams tried a reverse on their own 14 yard line. The Rams fumbled and with a quick Bear defense, smothered them in the end zone for a two point safety and a 2-0 victory.

Even though there were a few bad moments, the Bears spirited play regained something which had been lost during the previous season; the faith and respect of their fans. Losing was never expected or accepted as it once had been.

The Bears Behind The Bears

Joe Bear

Joe Bear keeps us entertained during sports and various campus events. A costumed Joe Bear has been the official college mascot since 1961. This year the bears behind the bear are Jerry Nordseik and Joby Giacalone. Joby attended a mascot camp this summer and walked away with several major ribbons and awards. Joby and Jerry did an excellent job of bringing Joe Bear to life.

Ball Girls

The Lenoir-Rhyne Ballgirls work for the Bears at their football and basketball games, assisting the team, coaches and referees. Pictured (L-R) are Kim Fisher, Gayla Parris, and Erin Wells. Not pictured Christy Andrews.

Men's Basketball Season Full of Slams and Damns

The young Bears of Lenoir-Rhyne College posted a 7-20 mark during the 1982-83 season, but ended on a positive note with a 99-89 overtime victory over Belmont Abbey. Junior guard Jeff Jones scored a career high 35 points in that game and went on to be named to the NAIA District 26 all-district team. He finished the year as the team's leading scorer at 19.6 points per game.

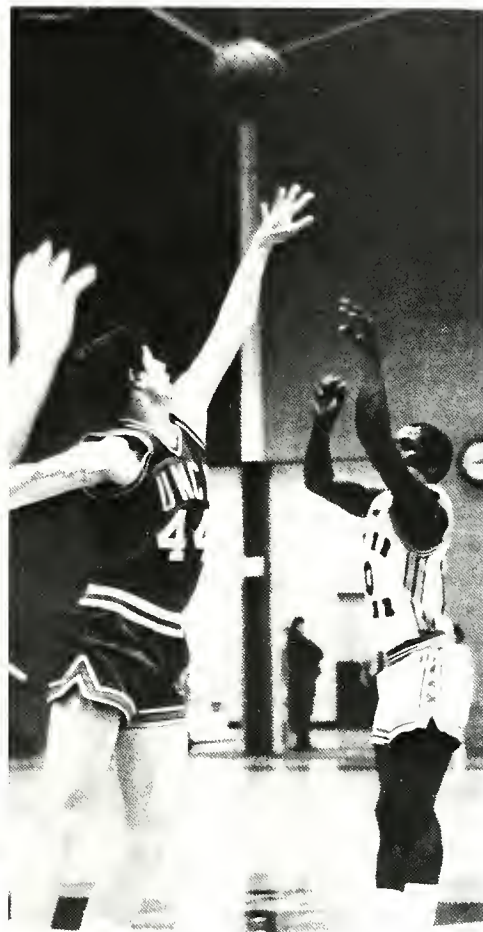

L-R played a predominantly freshman lineup throughout the campaign, with Ron Carson playing very well in the latter half of the year. He grabbed 23 rebounds in one game against Elon and was in double figures in rebounds eight times.

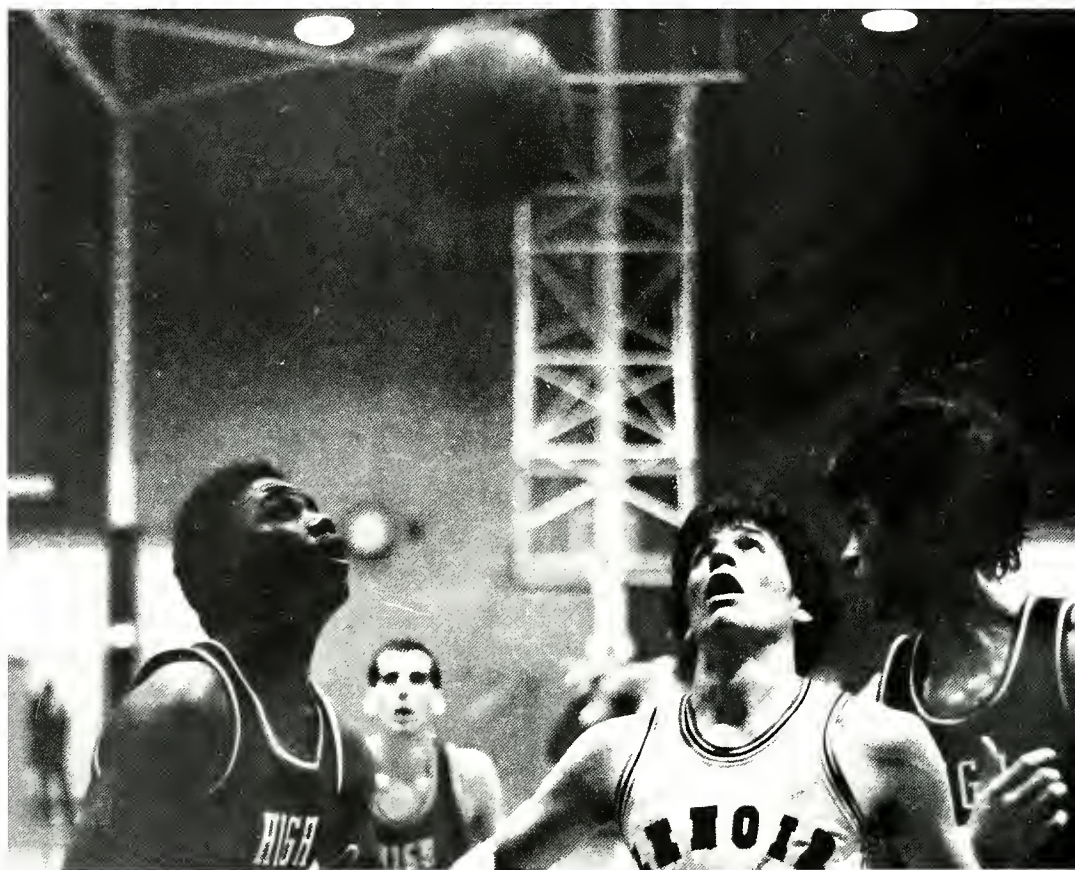

If the young players continue to improve, the future is bright for Bear basketball.

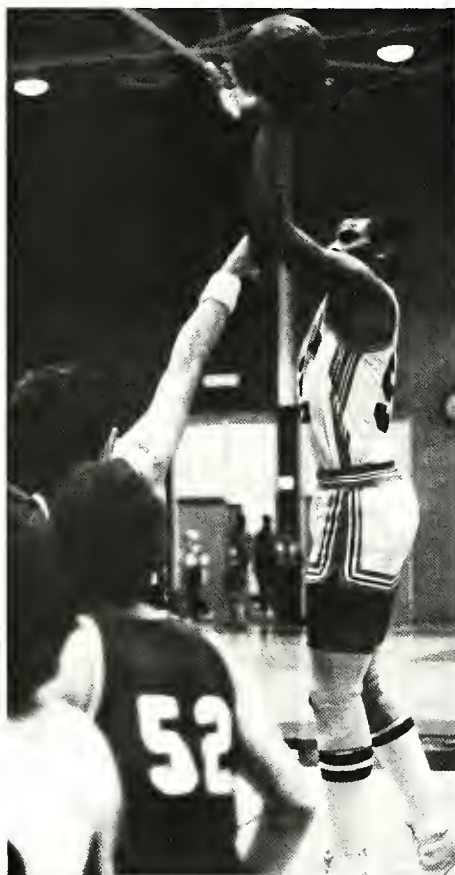

Row 1 (L-R): Wayne Hubert, Ralph Bunch, Pete Davis, Jeff Jones, Al Hurtado, Jerome Branch, Jerry Livigston, Ron Carson, Row 2: Carl Clayton, Eric Phillips, Eric Epps, Ray Moore, Tobin Henry, Tim Sawyers, Kevin Barnhouse, Gary Nobles, Coach Lee Gibbs, Dane Bayag.

Style, Skill, Determination, . . . Lady Bear Basketball

The Lady Bears wound up the year with a 12-12 mark, as their string of three consecutive North Carolina state championships was snapped. Lenoir-Rhyne did qualify for the NAIA district playoffs, but the Lady Bears were eliminated in the first round by nationally-ranked Belmont Abbey, 84-71.

Senior Marisa Carmody made the all-NAIA District 26 team and finished as the team's leading scorer (14.8) and rebounder (8.4). Marcene Edwards scored at 12.5 points per game and Melinda Buchanan at 12 ppg.

The Lady Bears were 11-5 at one point during the year but had some trouble putting it together during the second half of the season.

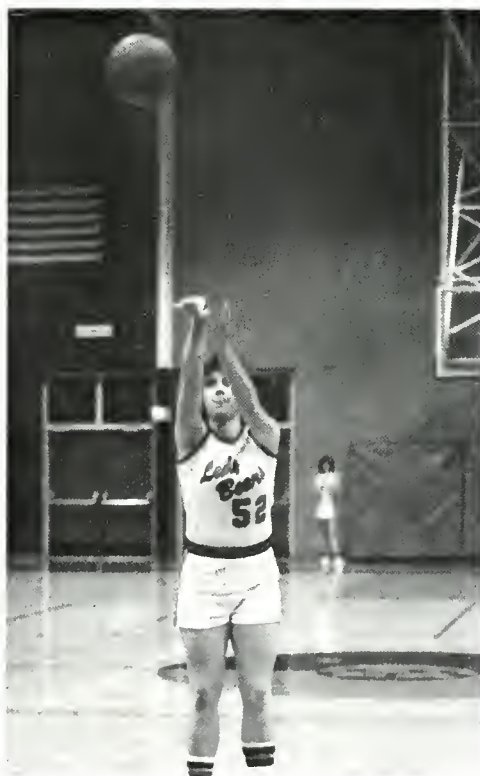

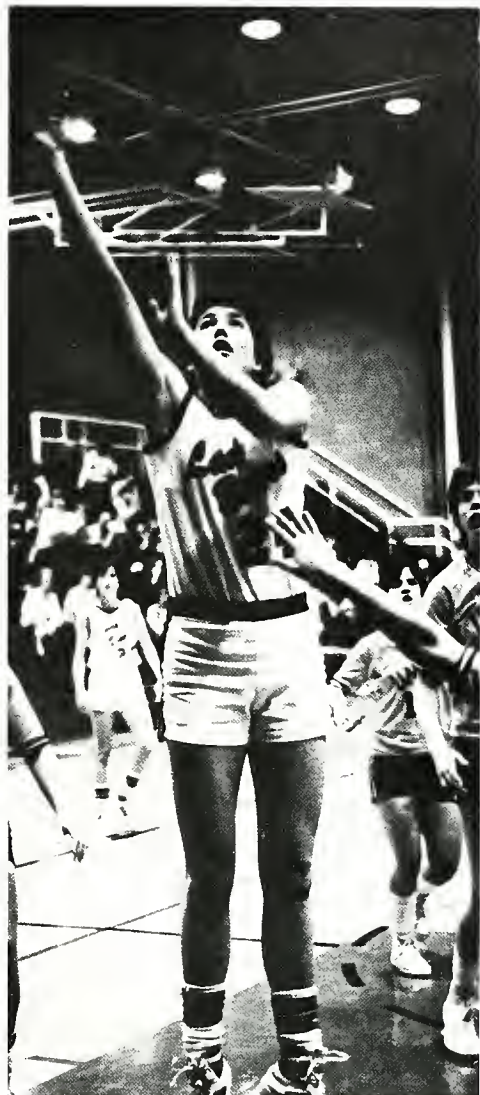

L-R graduates four outstanding seniors from this team, so first-year coach Gale Kerbaugh will have some holes to fill next year but believes that recruiting has gone well.

Victory again eluded the Baseball Bears this season as they won only 5 of their 22 games, 4 of which were District games.

After losing their first 8 games, 2 each to Wingate, Ohio State, High Point and Elon, the men of Spring finally put together 2 wins against Guilford, 11-3 and 6-3.

Of the next 12 games played the Bears could only manage 3 more wins, these over Mars Hill 11-3, Catawba 3-1, and Appalachian 6-5.

Grant Matthews led the team with a .400 batting average. David Willard, who was voted MVP, lead the team in RBI's with 10 and had a .308 batting average.

SPECIAL EVENTS

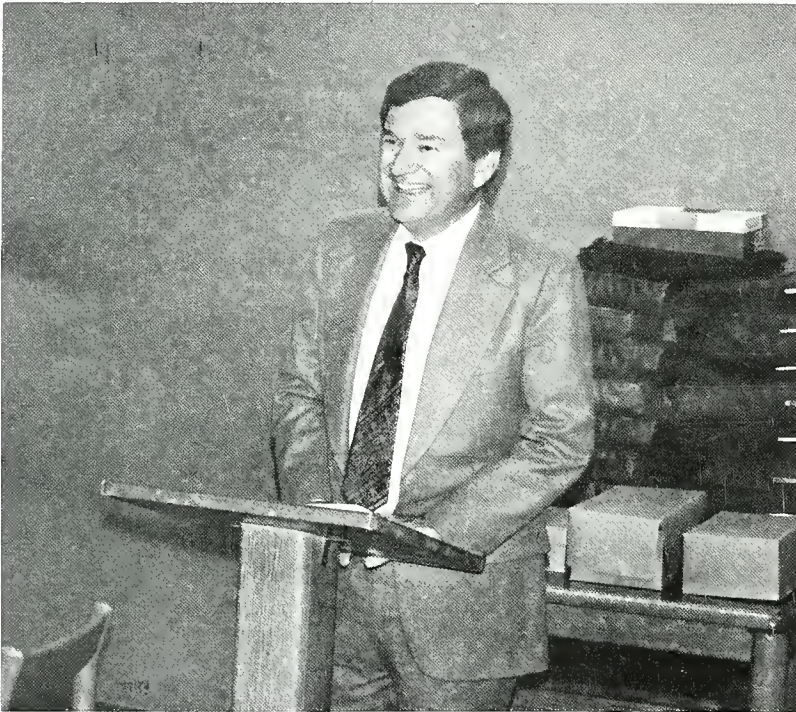

Albert Allran Serves As Interim President

Albert M. Allran was chosen to serve the college as interim president after the departure of ex-president Albert Anderson. Allran assumed full presidential responsibilities on January 1, 1983. A 1948 graduate of Lenoir-Rhyne, Allran has been extremely active in various college activities. He is a former member of the Development board and a current member of the Board of Trustees and the Executive Board. He also served as the 1982 Loyalty Fund Chairman, and set the record level of giving at \$231,000.

Allran received decorations as a World War II fighter pilot. He is the former director and vice president of Cannon Mills. Retired as president of Maiden Mills, Inc., and before coming to L-R as president, was self-employed as a consultant to textile firms. He is also an active member of Corinth United Church of Christ and participates in numerous civic activities.

Since beginning his duties, Allran has added some immediate benefits as well as long-range goals. He supplied the college with new laundry and vending facilities, made plans for renovation in some dorms and increased the school's efforts in fund raising. He has set goals in maintaining and increasing enrollment, as well as reducing the transfer/dropout rate. Allran's enthusiasm has already been a great benefit to Lenoir-Rhyne, and he certainly will be a hard act to follow.

Donald Just – Lenoir Rhyne's New Chaplain

Donald Just became Lenoir-Rhyne's new chaplain this year. He was chosen to fill this position vacated by Dr. Larry Yoder, who assumed additional teaching duties following the election of Dr. Michael McDaniel to the post of bishop of the LCA. Pastor Just was born and raised in North Dakota. He attended Concordia College in Minnesota and undertook his theological studies at Concordia Theological Seminary.

Pastor Just served parishes in British Columbia until he was called as a chaplain in the U.S. Army. In Vietnam for one year, he received several awards and decorations including the purple heart. He earned his master's degree in guidance and personnel services from N.C. State University. His doctorate, in personality and learning, was gained at the School of Theology in Claremont, California.

Pastor Just sees the office of chaplain as that of a "spiritual director" and "shepherd". He feels everyone should grow and learn together. Meditation, prayer movements, and retreats are some things very important to him. A few of his goals are writing, publishing and running a marathon. He enjoys wood-working and spending time with his cats.

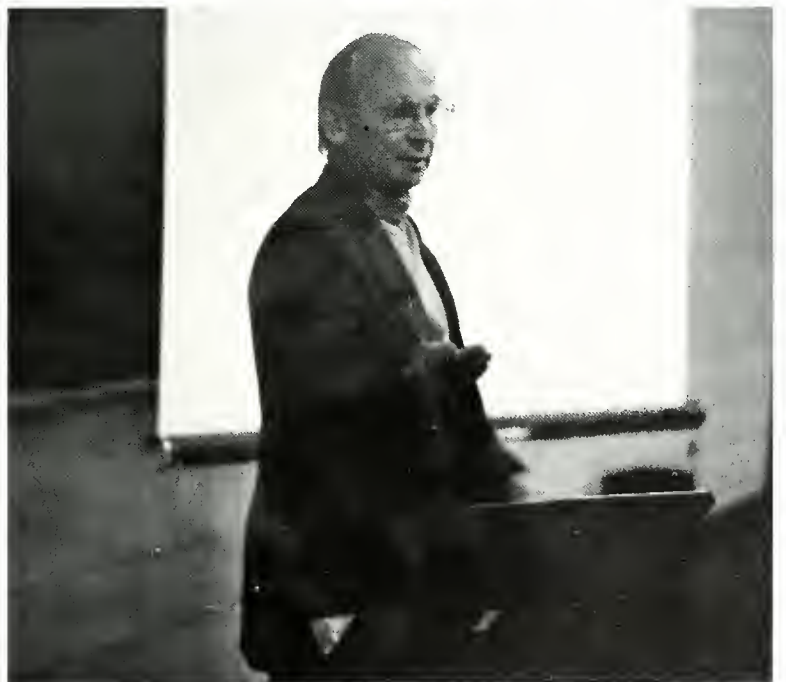

One area he emphasizes for growth and learning is discovering and nurturing those gifts which God has given us. Through this, we find an indication of the ministries he has for us. Pastor Just feels we should develop our cognitive domain through classes, but not at the expense of our physical or spiritual growth. He sees himself as a friend, but will try to push us to be all we can, as expressed by the hanging in his office: "A friend is someone who leaves you with all of your freedom intact ... but obliges you to be fully what you are."

Speakers

Lenoir-Rhyne had a variety of interesting and nationally known speakers to appear on campus. These speakers appeared at convocations, forums and other special events. Among the list of speakers were: Stanislaw Ulam a mathematician who worked on the development of the H-bomb (sponsored by Steelman visiting Scientist Lecture-ship), former U.S. Senator Sam Ervin, his son and grandson, Tom Jackson who lectured on Guerilla Tactics in the Job Market, Robert Short who presented views on "Marriage and the Playboy Society," and lastly; Dr. George Sheehan who is recognized throughout the entire world for his knowledge about running.

75 YEARS OF HACAWA

The Hacawa was first published in 1909 by the senior class of Lenoir College. The name Hacawa was coined as a "one word abbreviation of Halls, Campus, Walls. In and around these centers, the whole student life is here. The Hacawa is an emanation from the work, play, joys, trials, and triumphs of the entire college for the year." In the first year of the Hacawa, the college employed sixteen faculty members for a student body of about seventy-five. The entire yearbook consisted of ninety-six pages.

The Hacawa of 1920 portrayed "the joys and sorrows of our college life for the year." It proudly displayed Lenoir College's many clubs, including the Catawba County, Rowan County, Iredell County, Gaston and Lincoln County Clubs. The book also contained a section of jokes.

When 1930 rolled around, Lenoir College had been Lenoir Rhyne College for a few years. The Hacawa of

1930 described the buildings on campus. Cline gym was "a building that opens its doors not only to victory and defeat, but to sportsmanship and character." Rhyne building was "strong, sturdy, majestic — a temple of beauty." Highland Hall: "like a rock-built refuge stood above the blind and battling multitude." Mauney Hall was the women's dorm and possessed the H.H.B. Club whose objective was "to have goodtimes."

The 1941 Hacawa celebrated the 50th anniversary of Lenoir-Rhyne College. The faculty had grown to thirty-seven. The book defined "Hickory, North Carolina, a town which is noted for the culture and refinement of its citizens." The school's motto . . . "you will enjoy the Lenoir Rhyne way."

The 50th anniversary of the Hacawa was celebrated with the 1958 publication. Dr. Voigt R. Cromer was College president. "The 1958 volume marks the golden anniversary of a yearbook

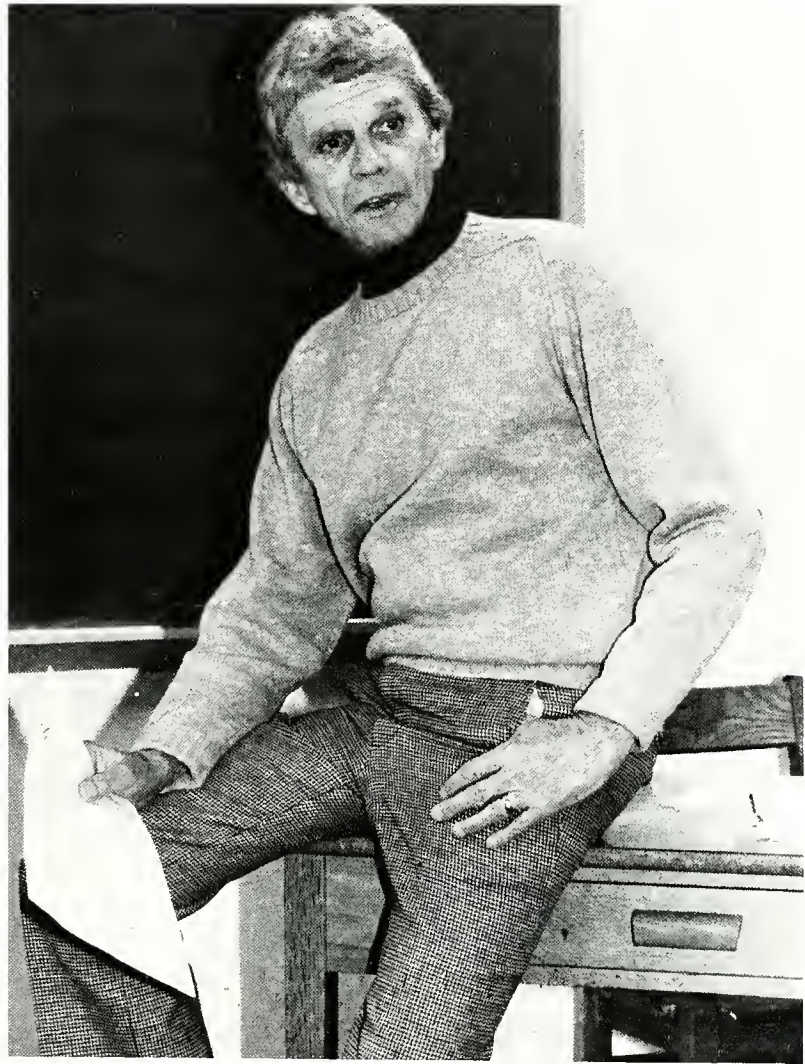

which since 1909, has unveiled the intimate story of her student life."

1968 marked the year of the first color photographs in the Hacawa. The cover, reflecting the mood of the late '60's, read; "Ah Life, my own Libido, my Despair, my Guilt, my Need, a glory, a mocking, a hope."

By 1978, the Hacawa had grown to 256 pages. Roots author Alex Haley spoke, "Mother's Finest performed, and the spring squad of cheerleaders was chosen "Most Outstanding" at the WBTV Carolina Classic Tourney. The Hacawa, in its tradition, represented this and much more.

Now it is 1983 and the 65th anniversary of the Hacawa. Like the Hacawa of 1909, the objective of this book is to reflect the "work, play, joys, trials, and triumphs of the entire college for the year." This edition, above all others, blends the tradition of the old and the creativity of the new in Lenoir-Rhyne's Hacawa.

1982-1983 Dedication

Bud Brown

The 1982-1983 Hacawa staff is pleased to announce that this seventy-fifth anniversary edition of the HACAWA is dedicated to Professor Russell E. Brown. Russell "Bud" Brown has been a faculty member here at Lenoir-Rhyne College since 1947. His thirty-five year service as a professor is one of the longest in the history of the college.

Professor Brown is a graduate of Bucknell University where he received his A.B. and M.A. He has also studied at the University of Chicago. He and his wife Shirley have one daughter, Leslie Levine and a granddaughter — Allison.

Professor Brown has served on numerous committees of the college. He was advisor to the Debate Team which was very successful and won numerous awards and recogni-

tions. He was the first chairman of the Social and Behavioral Division and was instrumental in establishing the Economics Major.

He was honored in 1970 by receiving the first Raymond M. Bost Distinguished Professor Award. He is well-known as a speaker at various civic and college events.

Bud Brown is a man respected and loved by faculty and students alike. He offers his assistance when needed, supplies the college with a cheerful presence, and his contributions to the college are beyond measure. Professor Russell E. Brown is a great man who is deserving of this dedication and much more.

Now You See It . . .

Now You Don't

The long-standing Yoder Building saw its demise this year as it was imploded and removed during December. Yoder, one of the oldest buildings on campus, first served the college as the Yoder Science Building in the early 1900's. The Yoder building gave way this year to the new academic complex containing the Belk Centrum (at left). Also involved with the construction was the renovation of the Rhyne Building, another of the old-timers.

The teams work late night and early morning hours seven days a week. SPLAT is administered by the Residence Life Office and co-operates with regular college security officers.

Ford Signs Pro Contract

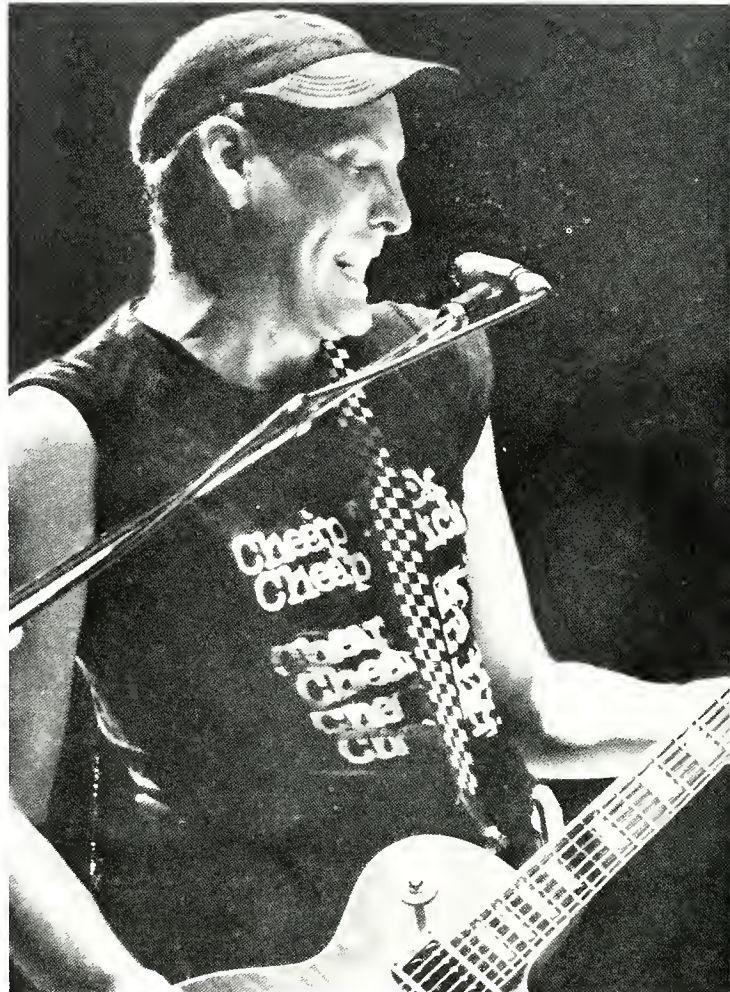

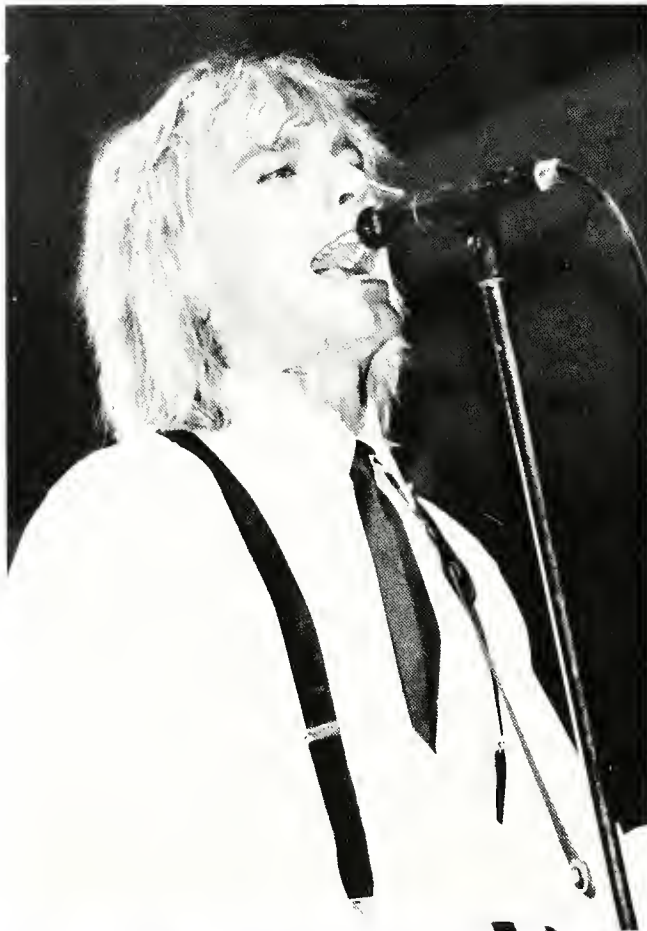

Wednesday evening, January 12, 1983, Glenn Ford lived the dream of almost every college football player. He signed a contract to play pro football.

Ford's outstanding running ability caught the attention of the Denver Gold, a pro football team in the newly formed United States Football League. They drafted Ford in the Ninth round and sent their assistant coach to sign him.

"We need a fast good-looking running back and I think we have one," said Charlie Arme, the assistant coach of the Gold, as Ford signed the contracts.

Although Ford had another year of eligibility at Lenoir-Rhyne, his decision to join the Gold was a good one. Dreams come true far too seldom for those of us who chase them. Glenn, with your running ability, we are sure you will catch yours. Good luck to you Glenn. We will see you on national TV... Oh yes, remember to wave to us.

CONCERTS

The Lenoir-Rhyne Program Board deserves our thanks for providing the college community and the Hickory community with many outstanding concerts during the 1982-1983 school year. Some of the groups performing during the year were: Cheap Trick, Sugar Creek, Scott Jones & Elaine Silver, Gene Cotton and St. Olaf's Choir. This list does not include the live bands that performed throughout the year at the Lenoir-Rhyne dances.

WINTER WEEKEND '83

The Winter Weekend of 1983 started out with a James Bond movie in the Auditorium on Friday. After the Men's Basketball game on Saturday, there was a "Punk Rock" dance in the Cromer Center. This was a big success with everyone. The Winter Weekend ended on Sunday with everyone watching the Washington Redskins beat the Miami Dolphins in the Superbowl. A wide-screened television was provided for this event.

Spring Weekend — Fun In 1982

A Student Talent Night on Thursday kicked off the 1982 Spring Weekend sponsored by the Program Board. Many students participated in the show that was held in the Cromer Center. The 3-D movie "Creature From The Black Lagoon" was featured on Friday night in P.E. Monroe Auditorium. The main event of the weekend, on Saturday Night, was when Lenoir-Rhyne students clogged to the music of a country band, and had an inside picnic supper.

ONE MORE LAST LOOK

The entire 1982-83 HACAWA staff was super. Everyone worked so hard to capture the many events and faces of Lenoir-Rhyne College. Without the talent and artistry of Kathi Graham's photography, the pages would certainly be lacking. Kathi didn't just restrict herself to photography. She played an active role in the layout, copy and design of the yearbook. Thanks Kathi for being a tremendous help and a wonderful friend.

Jeff Stout and Pete Killam also spent countless hours photographing and working in the darkroom to produce the look of the HACAWA.

Brenda Deal and Cricket Langford were responsible for the organization and the new look of the Greek and Organizations pages. These girls spent a lot of time gathering copy from all the organizations on campus and scheduling group pictures. They did a sensational job.

Steve Smith and David Meredith did an outstanding job on their sections too. Steve was on top of things when it came to alphabetizing and separating the class section pictures. David Meredith added his journalistic abilities to the Sports section of the yearbook, using L-RC as a "stepping stone" to Sports Illustrated magazine.

Those responsible for the layout of the yearbook were: Catherine Johnston, Susan Tabor, L.R., and Debra Staecker. These individuals provided the yearbook with creativity, ingenuity and the quality it so deserves.

L.R. not only helped with layouts, but also assisted with copy, keeping up with the bills and provided moral support for the Editor. The encouragement and "positive thinking" of this individual got us through those trying times! Thanks

L.R.

I also wish to thank Dr. Blakey, Dr. Benton, John Hall and Bucky Coates, for all their support and assistance, Bobby Peeler, and Emily Ripley for their unending cooperation, and Sue Klepper for the use of her typewriter and time.

A special thanks is extended to the following people who supplied us with some photos: Aaron Lewis, Bruce Million, Liz Cadwell, Steve Siminski, Guy Norman, Tony Sipe, Scott Kosfeld and especially C. Jane Johnson who supplied us with many of the photos in the Theatre section.

Lastly, I wish to thank Markey Fabrics for giving us a discount on the fabric we used for the cover, and the Playmakers for helping to make our fund-raising project a success.

The HACAWA staff is extremely proud of the fact that this Seventy-fifth Edition of the HACAWA reflects total student involvement from photographs to copy to the design of the cover. We feel this demonstrates the wide array of talents and abilities of the students here at Lenoir-Rhyne and hope that in future editions, student involvement increases even more.

The cover of this yearbook is unique. This fabric is patterned after the Royal Stewart Tartan. It demonstrates timeless quality. Not only is it representative of the colors of Lenoir-Rhyne but it also enhances the tradition of excellence displayed in Seventy-five years of HACAWA.

Beth Underwood
Editor-in-Chief
1982-83 HACAWA
